for all our children!**

GREETINGS FROM ERIC NEWELL

Welcome to the 15th Annual Eric Newell Kidz in Careers Golf Classic!

In 2009, this tournament started with a simple goal: to support youth on their career journeys. Today, it's incredible to see how far we have come. Thanks to the unwavering support of people like you, this tournament has grown into CAREERS' biggest fundraiser of the year—and one that has helped transform thousands of young people's lives.

As you made your way around the course, I hope you had a moment to connect with the student volunteers. Their stories are real-life proof of what's possible when young people are given the chance to explore their potential.

Thank you for helping us make a difference. Let's make this year the best yet.

GREETINGS FROM THE CHAIR

Thank you for supporting Alberta Youth.

Your support helped make it happen. This past year, more than 4,500 young people participated in internships with over 2,500 employers—enabling youth on their path to a rewarding career.

By showing up today, you are continuing that momentum—creating new pathways for youth to gain hands-on experience, build confidence, and discover careers they never knew were possible.

The funds raised today go directly toward school outreach, and the programs that bring students and industry together; providing an opportunity for youth to develop skills, participate in the workforce, often for the first time, and for employers to recognize the importance and value of including youth in workforce development strategies.

With your help, we're not just building futures—we're building a stronger Alberta.

FORT MCKAY
FIRST NATION

Welcome to the Annual Eric Newell 'Kidz in CAREERS' Golf Classic.

**Fort McKay First Nation is proud to be
the presenting sponsor of this event
in support of CAREERS: The Next Generation.**

Your participation today will directly support and benefit
the future of youth in our region.

Our local and provincial economies rely on a strong and
stable skilled workforce.

A skilled workforce – primarily trained and mentored in this region
– has helped Fort McKay First Nation's group of businesses deliver
quality services, grow, diversify, and succeed.

CAREERS: The Next Generation introduces youth to rewarding
career paths in trades, technologies, health, and other in-demand
occupations. The success of this program, and its support for
youth, requires vision, leadership, and community support.

The Eric Newell 'Kidz in CAREERS' Golf Classic helps raise
much-needed funds for this program to continue.

To all the golfers today, keep it in the Fairway!

To our region's youth, swing for that career hole-in-one!

THANK YOU TO OUR HOLE SPONSORS

"I chose to do an apprenticeship because I didn't need to go to a university, it pays good, and I love working with my hands. I never knew what I would want to do out of high school. It gave me a goal to look forward to and gave me purpose. I would say that it's a great choice but hard work."

Aiden Gracie

Lord Beaverbrook High School, Calgary
Electrician Apprentice, Custom Electric

"I did this to gain knowledge and real-world experience in skilled trades. It gave me the ability to earn credits towards graduation while working my existing job and gain hours towards my ticket. If you are looking for a boost for success, I would absolutely recommend CAREERS. The support and opportunities available are unmatched."
